### **Vehicle Cover Policy – Extreme Weather Events**

To maintain community aesthetics while allowing for necessary protection during adverse weather, the use of vehicle covers within Winston Trails is permitted under the following conditions:

#### **1. Permitted Use**

Vehicle covers may only be used during officially declared extreme weather events, including:

- Thunderstorm watches that include hail warnings
- Hurricane watches
- Tropical storm watches
- Tornado watches

The warning must be issued by the National Weather Service (NWS).

#### **2. Time Limit**

All vehicle covers must be removed within 24 hours after the expiration of the NWS-issued warning.

#### **3. Type of Covers Allowed**

Only fitted vehicle covers specifically designed for automobiles, SUVs, and trucks are permitted. All covers must be secured onto the vehicle, and must be in good repair with no visible holes or tears. Tarps or non-fitted coverings are strictly prohibited.

#### **4. Enforcement**

Failure to comply with this policy may result in enforcement action in accordance with the community's governing documents, including possible fines.
